Imagine living in a world where one of the first decisions you make as a newly engaged couple is - how are we going to help someone? How are we going to give back? Here at Love This Day Events - it is the beginning of our work together. In spirit of giving and thanks over this holiday season- all wedding coordinations booked from December 15, 2011 to January 15, 2012- either full planning or month of event coordination will have 10% of total sales donated in the name of the bride and groom to one of the 4 charities listed below. Let's start planning a great day . . . And let's change a little part of someone's life along the way. The following organizations are the ones that I support - and YOU as the Bride and Groom - get to help as well. Once we are under contract - the first decision you will make is where you would like your donation to go. It's a win win situation for everyone!

The Humane Society www.humanesociety.org

Works to reduce suffering and improve the lives of all animals by advocating for better laws; investigating animal cruelty; conducting campaigns to reform industries; providing animal rescue and emergency response; and caring for animals through our sanctuaries, emergency shelters, wildlife rehabilitation centers, and clinics

The Sierra Club www.sierraclub.org
